- 5) After checkout, you will be asked an important question about your preference for new or used books.
- 6) Answer yes, if you would like to switch new books for used or used for new if your first choice is not available.
- 7) Answer no, if you would prefer not to substitute new books for used or used for new if your first choice is not available.

Prepay vs. Shipping Option

After you selected the textbooks that you would like to order from the web site, you will be given the option to select whether you would like to prepay or purchase your order. If you choose to prepay your order, you will need to pick up your order at the store location on your campus after having paid on-line with a credit card. The purchase option is the only option where you will pay on-line with a credit card and have your order shipped to you.

Feel free to check the status of your order on "Your Account." Click on the order number to get specific details. If you have any questions about the site, please look up the FAQ page available on the website or contact the store at 1-312-362-8792.
