I wish to change my program and plan at the DePaul University College of Law.

Currently, I am enrolled (check one):

FULL-TIME: \_\_\_\_\_ PART-TIME: \_\_\_\_\_

I wish to change my program and plan to (check one):

FULL-TIME: \_\_\_\_\_ PART-TIME: \_\_\_\_\_

The program/plan change should be effective for the following semester (check one):

FALL 20\_\_\_\_\_ SPRING 20 \_\_\_\_\_ SUMMER 20\_\_\_\_\_

Please note the following:

1) All JD students must earn 86 semester hours to graduate. Required courses include: Civil Procedure (4 credits), Constitutional Process (4 credits), Contracts I & II (6 credits), Criminal Law (3 credits), LARC I (2 credits), LARC II (2 credits) and LARC III (3 credits), Property (4 credits), Legal Profession (3 credits), Torts (4 credits), and a professional skills class (3 credits). An additional writing requirement may be announced.

2) A part-time evening student who changes to full-time in the fall of his/her second year must take two required courses in the fall in the evening division: Property and Criminal Law. The student also must take Constitutional Process and LARC III in the evening in the spring of the second year. The College of Law will register students for those required classes. S/he may then take electives up to a maximum of 16 credits in the fall semester.

I understand that I may change my program/plan only once while I am enrolled in law school. I understand that a change will result in a different priority for registration and that I will register later than students who began law school on full-time status. I further understand that the program will affect my financial aid. I have spoken with or will speak with a financial aid counselor to revise my aid package. If I received a scholarship contingent on my remaining in the program/plan that was effective when I began law school, I understand that I will no longer qualify for that scholarship as a result of this program/plan change.
