

# FIRST ASSIGNMENT

PROFESSOR LEWIS

CONTRACTS

Welcome to the College of Law. The text we will be using is Farnsworth, Young, Sanger, Cohen and Brooks, Cases and Materials on Contracts, Foundation Press, 7th Ed. The 7<sup>th</sup> Edition (new) was supposed to be released on August 1 of this year. I expect that it will be available before classes begin. You will also need a supplement by Farnsworth et. al, entitled Selections for Contracts. It contains statutory material that we will be referring to in class.

Our first few classes will be an Introduction to contract law. The main case we will be looking at is Sullivan v. O'Conner, on pages 14-20 in the casebook. Be sure to read it carefully. Background reading (also in the casebook) will be found at pages 1-4; 8-9;13-14 and 29-32. I will also give you a handout the first week that we will discuss in week 2. I really look forward to meeting you all. In the meantime, relax and enjoy the rest of the summer.
