

COMMERCIAL PAPER

PROFESSOR LEWIS

SPRING 2009

The syllabus for this course is available on the web. The book we will be using is Lewis & Resnicoff, Negotiable Instruments and Other Payment Systems: Problems and Materials (LexisNexis publisher). As you can see from the syllabus, we will be starting at the beginning of the book and trying to get through it all, skipping few pages. Realistically, I expect that we will only get through Chapter 17. For the first week of class, please read the Preface, and Chapters 1 and 2 and be prepared to discuss all the problems therein.
